

## The Chase County Hospital Foundation.

The Chase County Hospital Foundation exists to support an effective system of health-care which is critical to enhancing the quality of life for area residents and keeping our rural communities strong and vibrant. We ask that you consider supporting the Chase County Hospital Foundation in this work. Your gift can be applied to several areas including:

- Upgrading medical equipment
- Enhancing technology
- Recruitment and training of medical staff
- Facilities improvement

Another important area is the Chase County Hospital Endowment Fund, which is an affiliated fund of the Nebraska Community Foundation. This endowment will help to insure that financial support for healthcare in Chase County will be available well into the future. Your gift to this endowment can be for general support or designated for special projects of your choice.

***Won't you join us in strengthening and improving your local healthcare system?***

For more information about the Chase County Community Foundation call (308) 882-7379 or email us at [rvccch@gpcom.net](mailto:rvccch@gpcom.net).

The Single most important factor in community success is involvement of citizens in their community. Your gifts of time, talent and dollars make a difference.

**Please consider what a gift of life insurance would do for your community and for you.**

## **Invest in Your Hometown with a Gift of Life Insurance.**

Many Nebraskans have found that a Gift of Life Insurance is an easy and convenient way to make a gift to support their favorite charity, such as the Chase County Hospital Foundation.

### **Why Give Life Insurance?**

- The amount of your gift is certain - assuring that your desire to support your Hometown is met.
- The proceeds from a life insurance policy are paid promptly and are not part of the probate process.
- Life insurance is a “quiet” gift - it is not a matter of public record.
- Life insurance gifts can be used to replace assets gifted to your Hometown. Your family can receive the life insurance

### **How to Make a Gift of Life Insurance...**

There are three ways to make a gift to the Chase County Hospital Foundation using life insurance: with an existing policy, by beneficiary designation and with a new policy.

### **#1 - With an Existing Policy**

Do you have a policy that was purchased several years ago but the need for that coverage no longer exists? Instead of cashing in the policy for its cash value, consider contributing the policy for the benefit of your Hometown.

By changing the ownership and beneficiary of the policy to the Chase County Hospital Foundation, you will receive a charitable income tax deduction. Additionally, if you were to make future annual gifts of the policy's premium, you will receive an additional charitable income tax deduction each year

### **#2 - By Beneficiary Designation**

Perhaps your need for the life insurance coverage continues. Instead of making a gift of the policy, you can choose to designate the Chase County Hospital Foundation as a contingent beneficiary of the policy. The Foundation would receive the proceeds only if your other beneficiaries died before you.

If your need for the life insurance coverage continues, but at a lower level, name the Chase County Hospital Foundation as the beneficiary of the portion of the policy's proceeds that are no longer needed.

### **#3 - With a New Policy**

Through the multiplier effect of life insurance you can make a substantial gift to the Chase County Hospital Foundation on the installment plan. When you purchase a new policy and name the Chase County Hospital Foundation as the owner and beneficiary, the gift you make of the premiums become fully income tax deductible. Thus, for pennies on the dollar you guarantee a meaningful gift for the Foundation in the future.
