

Application - Cancer Patient Assistance Program

The purpose of the Chase County **Cancer Patient Assistance Program** is to help area residents facing the challenges of cancer. Applicants who have been diagnosed with cancer or those who are in active treatment may apply for \$700.00 annually. Those who receive cancer prevention or detection services may apply for \$350.00 annually.

To be eligible for funds, a recipient must live in Chase County or receive medical treatment at Chase County Community Hospital & Clinics. The committee reserves the right to make exception to this eligibility in special circumstances. (Note: Amounts granted are subject to change based on availability of funds.)
