What is My Health Testing?

My Health Testing allows you to choose the tests you wish to have performed at a reduced price and without a provider's order.

Why My Health Testing?

You may choose to utilize this service if you:

- Wish to have more frequent testing than your health insurance plan will cover
- Want to assess and manage your health status on a regular basis
- Are uninsured or have a high deductible and want to take advantage of lower out-of-pocket expenses
