Ally Jablonski, Doctor of Nursing Practice (DNP), Advanced Practice Registered Nurse-Nurse Practitioner (APRN-NP), Family Nurse Practitioner-Board Certified (FNP-BC) assumed her position with the Chase County Clinic on September 25, 2023. She grew up in Benkelman, Nebraska and St. Francis, Kansas, graduating from Saint Francis Community High School.

Ally acquired a Bachelor of Science in Nursing from the University of Nebraska Medical Center in 2011, and then worked as a registered nurse the following 12 years with the majority of her work experience being right here at Chase County Community Hospital.

In 2019, she decided to embark on the journey of becoming a doctorally prepared nurse practitioner, graduating in 2023 with honors and a doctorate of nursing practice from the University of Nebraska Medical Center. Additionally, she was part of a scholarly project and coauthored a manuscript that is pending publication, titled, “Implementation of Depression Protocol in Rural Nebraska Pediatric Clinic.”

Ally’s top priority is to provide care with the foundation of the nursing profession through health promotion and disease prevention. She believes that thoroughly listening to patients and utilizing evidence-based implementation and education leads to better outcomes. Ally is a proprietor of going above and beyond for others and plans to bring that along with compassion and a smile to her patients.

She has been married for to Lucas for 8 years and they have two daughters, Saylor, 4 and Holland, 1. In her free time she enjoys spending time with her family, reading, watching the Denver Broncos and Huskers play football, Kansas Jayhawks basketball, golfing and traveling.
