

Saturday, October 7, 2023 in Wauneta

Registration at 9:00 am in front of the Beauty Bar
Walk/Run (throughout Wauneta on a marked path) at 9:30 am

Announcing the Chase County Community Hospital & Clinics annual Cancer Walk. The purpose of this event is to raise funds that are used to provide support for individuals from Chase County as well as patients who are treated here at the Chase County Community Hospital & Clinics. This financial support helps offset costs for patients who are receiving cancer treatments along with those who obtain prevention & detection services.

It is also an opportunity to recognize local cancer survivors and to honor our loved ones who have lost their battles to cancer.

This year's focus is "All Cancers" and to commemorate the saying we will be offering not just white shirts but multiple colors, along with throwing colorful chalk during the race. We have also worked with local businesses to have specials that day.

This promises to be a memorable morning of walking/running in which Colored Chalk and T-Shirts will be provided to pre-registered participants! We will have a raffle with four packages and the drawings will be held at the conclusion of the event (you do NOT need to be present to win).

***Participants** please submit forms by filling out the paper form, on CCCH website, or on cchcancerwalk.susiesapparel.com*

***Sponsors** please submit forms by filling out the paper form or on the CCCH website.*

Return forms to Jaime Hiett, (308) 882-7256 / JHiett@chasecountyhospital.com or with any questions.
