Dr. Charles Frankum

General and Colorectal Surgery

ABOUT YOUR PROVIDER

Charles Frankum, M.D. is board-certified by the American Board of Colon and Rectal Surgery. He specializes in the treatment of the abdomen and lower digestive system, with a particular focus on minimally-invasive techniques that allow for faster patient recovery times. His practice includes the surgical management of colon and rectal cancers, polyps, and inflammatory bowel diseases such as ulcerative colitis. Dr. Frankum also performs routine procedures including hernia repairs and colonoscopies.

Known for his dedication to patient access, Dr. Frankum utilizes a small aircraft to travel to multiple community hospitals, ensuring high-level surgical expertise is available to patients in rural areas. When not in the operating room, he is an avid outdoorsman who enjoys hunting and fishing with his three sons.
